

ENVIRONMENTAL POLICY

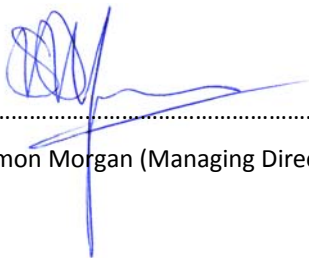

Memorial Services Limited (trading as Morgan Signs) produces all types of signs and a complete range of memorials and commemorative plaques.

The Company is committed to the production of quality products and services which meet the requirements of all our customers, whilst recognising the requirement to protect and care for the environment.

The Board of Directors of Memorial Services Ltd is demonstrating its intent to achieve continual environmental improvement through the adoption of environmental best practise measures throughout its business operations. In particular, the Company will:

- Comply with all relevant statutory regulations, legislation, Codes of Practise and other requirements relating to the processes and services of the Company as a minimum;
- Reduce the consumption of raw materials, water and energy;
- Promote waste minimisation, reuse of waste materials and recycling of waste wherever practicable;
- Promote environmental good practise with staff via the provision of appropriate environmental training;
- &
- Working in partnership with our clients and suppliers towards excellence in environmental management.

Memorial Services Ltd will ensure that the Environmental Policy will be reviewed annually as a minimum to ensure its continuing suitability and effectiveness and to ensure it remains appropriate to the purpose, scale, nature and impact of the company's activities, products and services.
